CUNNINGHAM On the paternal side this family traces to the Emerald Isle, where

John (1) Cunningham, grandfather of John A. Cunningham, of Connellsville, was born. John (1) Cunningham came to the United States, where he married Anna McClintock, whose father, Alexander McClintock, was born in Ireland, came to the American colonies prior to the revolution, and was a member of General Washington's personal guard, serving seven years, nearly the entire revolutionary period. After the war he came to Pennsylvania, settling in Somerset county on Fort Hill, township of Addison, where he made a clearing and cultivated a small area until his death at a log rolling, being caught and crushed under a huge log that caught him unawares.

(II) John (2), son of John (1) and Anna (McClintock) Cunningham, was born in Somerset county, Pennsylvania, 1806, died 1875.

It appears that ^{by 1883} Martha ^{by} was living by
1883 in (Defiance) with son John, Jr.
It seems about this time frame the
Hicksville newspapers are in the
possession of a private family and
not accessible for searching. If
this source becomes available
perhaps we will learn Martha's
maiden name.

After Roberts death Susannah married

Dear Roena,

Sorry this has taken a few days longer than I planned. My husband is the high school principal here (27 yrs now) and our girls basketball team was at the State Tournament. We ended up runner up. Not bad at all considering the talent we saw. Now it's back to business as usual.

I checked with Dave Marshall and those are his personal files. By the way, he is still here as his house deal fell through. He continues to do research. What we need is a 5 generation chart and the 3x5 file cards that should go with it.

I really enjoyed checking through my Slutzy books for your information. I hope it is what you wanted.

Robert Slutzy has moved to:

5904 Mt Eagle Dr.

Apt 715

Alexandria, VA 22303

Winter } 651 Center Ct (Courd) A.W. #102
address } Vero Beach, FL 32962

We see them at least once a

year at the Slutty Reunion in August near Canton, Ohio.

Your query should appear in the next newsletter.

Thank you for the donation to the "Kitty".

If we can help further, let us know. We'll do what we can or I know Dave is willing to do research.

Sincerely,

Jean Slutty

JAMES BAYES

son of

Thomas ~~John~~ Bayes, Sr.

James Bayes was born on 28 Dec. 1798 in Somerset County, PA. He was the ~~eldest~~ child of *Thomas* ~~John~~, Sr. and probably Agnes ~~?~~. When James was about fifteen years of age he came with his parents to upper Salt Creek Twp., Holmes County, Ohio. About five years later (ca 1818) he married Martha *Cunningham*. They lived on a 180 acre farm in Sec. 35, Twp 15, Range 12, In 1847 James, for the purpose of promoting education leased a plot of ground for an indefinite period of years to directors of District No. 6, Paint Twp. for the purpose of erecting a school. On the 23 day of April 1851 James and Martha gave about one quarter of an acre being a part of Lot No. 35 in the 4th qtr. of the 10th Twp. in the 5th Range to build a place of worship for the use of the members of the Methodist Episcopal Church.

"The Holmes County Farmer" newspaper on 24 May 1882 advertised great/g grandfathers farm at a private sale. It stated that the farm in Salt Creek Twp., one mile North of Middletown containing abt. 166 acres had tolerably good buildings, two springs at the house, good orchard and other conveniences. His son, our great grandfather was the executor of the estate. signed Thomas Bayes, Williams County, Ohio

The farm was purchased by James' son-in-law and daughter, Franklin and Elizabeth Mary (Bayes) SNYDER.

The first knowledge of our BAYES family is Jewel BAYES and his brother Hugh about 1755 in Somerset Co. Pennsylvania. They were of English and Scotch descent. Then about 1818 Jewel's sons John and Thomas moved their families to Holmes Co. Ohio. John was a very enthusiastic Methodist and a great admirer of John and Charles Wesley, founders of Methodism. John's home was the home of all the ministers visiting the area. He was a great leader of the church, he was always called upon to settle all the little bickerings in the neighborhood. Being a most devout Christian he spent a great deal of time visiting the sick and needy and ministering to the wants of the poor.

Notes for Thomas Sr. Bayes:

Thomas Bayes and his family moved to Clinton Township then Lucas County Ohio now Fulton County Ohio. This is the township where I now live and includes part of the town of Wauseon, Ohio. Governor Lucas commissioned Thomas as the first Justice of the Peace for Clinton Township. First House of Wauseon was built by Thomas Bayes, southwest of present Court House in 1835.

Thomas Bayes Jr is given credit for being one of the founders of Wauseon

Wauseon was founded in 1854 by four young men with an eye towards the future commercial and industrial growth of this area, and this spirit has continued through 143 years of development.

E. L. Barber and J. H. Sargent, young railway surveyors, knew that a depot would be built along the right of way west of Delta. In spite of the fact that the depot site wasn't definite, they, along with Nat Leggett and W. Hall, bought 160 acres from Thomas Bayes for \$16 an acre. Being nearly five times what good land was selling for nearby, Mr. Bayes must have thought he had a good thing. At a time when most main streets were little more than narrow trails, the proprietors had a 100 ft. wide main street laid out. Even today it can handle most mass transportation. The east-west streets were named after species of trees found on the townsite, and the north-south ones were named after famous men. Eight foot sidewalks on the main street are

another unusual feature. Frank H. Reighard¹ then a county surveyor, asked E. L. Barber the reason and his answer was "The merchants wanted room to display their merchandise in front of their buildings. They couldn't use the public thoroughfare, so they built their buildings eight feet back of the property lines."

Notes for Anna (?Wright) McMillen:

Anna may have been a WRIGHT or possibly married first to a McMillen as the family reunion article states that Thomas and his brother John BAYES married sisters. John's 2nd wife, Jane McMillin was born in 1800 and her parents too young to have been Anna's parents. John's first wife was Agnes (Nancy Jane) Wright.

Children of Thomas Bayes and Anna McMillen are:

- 22 i. Robert⁴ Bayes, died in as infant.
- + 23 ii. James Bayes, born December 28, 1798 in Somerset, PA; died April 11, 1882 in Salt Creek Twp, Holmes, Co. OH.

FATAL ACCIDENT

Mrs. Betsy Mikesell Shot Dead by Her Son.

Our Town was thrown into excitement Tuesday afternoon by the news that Mrs; Betsy Mikesell, widow of James Mikesell, who resided two miles west of town, had been shot dead by her son, Edward Mikesell. Coroner Bennett immediately repaired to the spot to investigate the matter. It appears that deceased and her son (he being the only child) were the only persons on the premises at the time of the shooting. According to the statements of the young man he had shot twice at a chicken, missing it both times and while putting a cap on the gun for another shot it was discharged, the ball going in at an open window of the house, a distance of about five rods, entered the back of his mother's head, killing her instantly. The skull where the bullet entered, was terribly mashed and broken. The bullet patch was found embedded in the brain and grains of powder were found on the back of the neck and head, near where the ball entered. The gun was an ordinary (small-ball) squirrel rifle. The Coroner has deferred a decision for a few days, in order to further investigate the matter.

The accident has thrown a gloom over the entire neighborhood, the deceased having been a resident of this township for over twenty years, and was highly respected by all who knew her.

In 1834 he married Mary Tedrow, daughter of Isaac Tedrow. He settled in Clinton Twp, Fulton Co., OH in 1837 with his wife and one daughter Elizabeth. In 1844 they were living some north of the early location. Wm. The town elections were also held in his log house for several years, such was the public spirit manifested by him. When the family first came into Ohio, they raised flax, from which Mrs. Bayes spun and made garments for her children. Later they raised sheep for the same purpose. John Cunningham

Taken from the "History of Upper Turkeyfoot Township in Somerset County PA"

John Cunningham was born in Ireland in 1774. At the age of sixteen he came to America, and after living for a time near Fort Hill, in Addison Township, settled near Paddytown upon a farm, where he died in 1841. He married Jane McClintock, and was the father of eleven children: Alexander, James, William, John, Jane (Hanna), Mary (Gower) and Elizabeth, Robert, Easton and Margaret (Justice). John, Jr. inherited his father's farm and lived upon it until his death in 1875. His widow is still living, and also her ten children. Two of the sons, Brookley and Coston have charge of the farm which is a good one, in a flourishing condition. Dr. Wesley Cunningham, of Gebhartsburg, is also a son of John, Jr.

Dear Roena,

Enclosed are some of the items you asked for. The obit of William C. Bayes shows that he was not only a veteran of the Civil War but also of the Mexican War.

Elizabeth Marzay died 8 June 1909. I found that there was an immense estate packet at Probate Court. I have enclosed a few of the papers. Elmer E. Bayes was her administrator. She died leaving no husband or children so her estate was divided among her siblings or their heirs.

I was able to identify a few. James Bayes m. Catherine Lehman on 11 April 1867 in Defiance Co. William Bayes m.

Mahala Pastee on 1 Oct 1870 in Defiance Co. Elmer E. m.

Jennie McCulloch on 6 Feb 1889 in Holmes Co. Jennie m.

George W. Reich on 25 June 1874 in Fulton Co. The

Papers state that Jennie Reich & J P & Ida Zeigler lived in Chicago and George & Brenda Mikesell were in Fort Wayne, IN.

Frank Snyder was the son of Jacob & Rebecca Snyder. They are # 1075 in Paint Twp. in 1850 Census. Jacob & Rebecca Fry were married on 11 March 1824 in Wayne Co.

At # 1077 were James Henry & Elizabeth Snyder whose daughter Susan married 26 March 1860 in Holmes Co. to Robert Bayes.

The IGI shows a James Bayes married to Louisa Sneyly 27 Sept. 1849 in Tuscarawas County, OH.

With the new Ohio 1880 Censuses the only William Bayes that I find is in Fulton Co. Hannah Bayes is shown to be in Knox Co.

I also found that Ann King is buried at Fredricksburg East Cemetery, (1833-1922). There is no obit listed in Holmes Co. index. She may have died in Wayne Co. Could get a death certificate the next time I visit Ohio Historical Society in Columbus.

Jane was single and still living in 1910. By the way - Jacob W. King is son of Elias & Leah King. Elias m. Leah Wynde 16 Feb. 1832 in Stark Co. OH.

There is no record of William's divorce in Holmes Co. - Perhaps in Fulton?

For Snyder information - contact Jean Walboldt of Holmesville (surname issue). Enclosed is family sheet of Jacob & James Snyder's parents also map which you asked for. Hope to have typewriter fixed soon.

Sincerely -
Dave Marshall
